Technical Update Training Webinars for Instructors August & September 2022

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours required by the ASE Education Foundation.

*Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.*

We included the registration links for August in case you missed a webinar you can register for the recorded version!
