

## Technical Update Training Webinars for Technicians September and October 2022

*These free webinars are presented by ASE industry partners. Each event includes an emailed certificate.*

**REMINDER! Webinars for Technicians are now on Tuesdays.** Still one hour, still 4 pm Eastern time, still providing certificates of attendance, still available to view as a recording!

*We included the registration links for the prior month in case you missed a webinar you can register for the recorded version!*
