Technical Update Training Webinars for Instructors April, May & June 2023

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours required by the ASE Education Foundation.

*Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.*

We included the registration links for the prior month and through May 23rd, in case you missed a webinar you can register for the recorded version!

The ASE Technical Webinars will resume August 29th, 2023 - Watch for the Fall schedule!
