## Technical Update Training Webinars for Instructors August 2021

*These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours required by the ASE Education Foundation.*

*Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.*

**UPDATE!** Beginning the week of August 23rd, **Monday webinars for Instructors are moving to Tuesdays.** Still one hour in length, still 4 pm Eastern time, still providing certificates of attendance, still available to view as a recording if you register in advance.
