

Technical Update Training Webinars for Technicians

November & December 2023

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate.

REMINDER! Webinars for Technicians are on Tuesdays. Still one hour, still 4 pm Eastern time, still providing certificates of attendance, still available to view as a recording!

Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.
