Technical Update Training Webinars for Instructors September & October 2024

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours required by the ASE Education Foundation.

*Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.*

Don't Miss the ASE Instructor Conference in July, 2025. See <https://aseeducationfoundation.org> for the details and to mark your calendar!
